New Hampshire Insurance Department

- Health insurance companies must provide coverage - prior to application of any deductible and without cost-sharing--of the initial health care provider visit and FDA-authorized COVID-19 testing for those who meet the Centers for Disease Control and Prevention (CDC) criteria for testing, as determined by your health care provider.
- If in-network providers are unavailable to conduct testing for COVID-19, insurance companies must cover out-of-network testing. Any prior authorization requirements that typically apply to covered diagnostic tests are suspended with regard to the testing of COVID-19.
